HINKLEY
LANDSCAPE LIGHTING

16801MZ Eyebrow Deck Sconce

MZ - Matte Bronze

Mounting Instructions

12volt, T3 20w max Bulb

Consult wiring instructions supplied with Transformer for proper wiring.

Mounting Instructions:

1). Print page full scale and use **Drilling Template** in lower right hand corner.

2). Attach **Luminaire back** to deck or step using the correct fasteners for the surface you are attaching the luminaire to.

3). Attach the **Luminaire face** by turning in a clockwise direction.

4). Wire the fixture to transformer according to the instructions supplied with the transformer. Your fixture is now ready to energize.
