## KARRINGTON SMALL CHANDELIER

**89037**  
**H: 12 IN, Dia: 37.00 IN**  
**Polished Nickel**  
**Contract Suitable As Is**

The irregular symmetry of the design in combination with the polished nickel and seedy glass spheres almost makes this feel like something from outer space. With 12 lights, it provides plenty of wattage over a large table. Consider shortening the pipe so it appears to be hugging the ceiling for a totally original look. Additional pipe available (PIPE-100). Damp-rated, although limited covered outdoor conditions may affect finish. Shown with small clear tubular bulbs.
