# Royyo pendant

Royyo adds an elegant flair to any space with its minimal wiring and pleasing circular design. Its unique silhouette houses complex inner technology for a marriage of form and functionality. Suspend a single Royyo for a minimalist statement, or combine multiple pendants together to make a stunning circular or linear focal point. Royyo Pendant is available in four matte or metallic finishes.

LEED Information

**Integrative Process**

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems. Konzept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Konzept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

**Interior Lighting**

To promote occupants' productivity, comfort and well-being by providing high-quality lighting. Konzept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.

Photometrics for desk/floor lamps: Light source placed 15" away from work surface
