Ceiling with round glass shade.
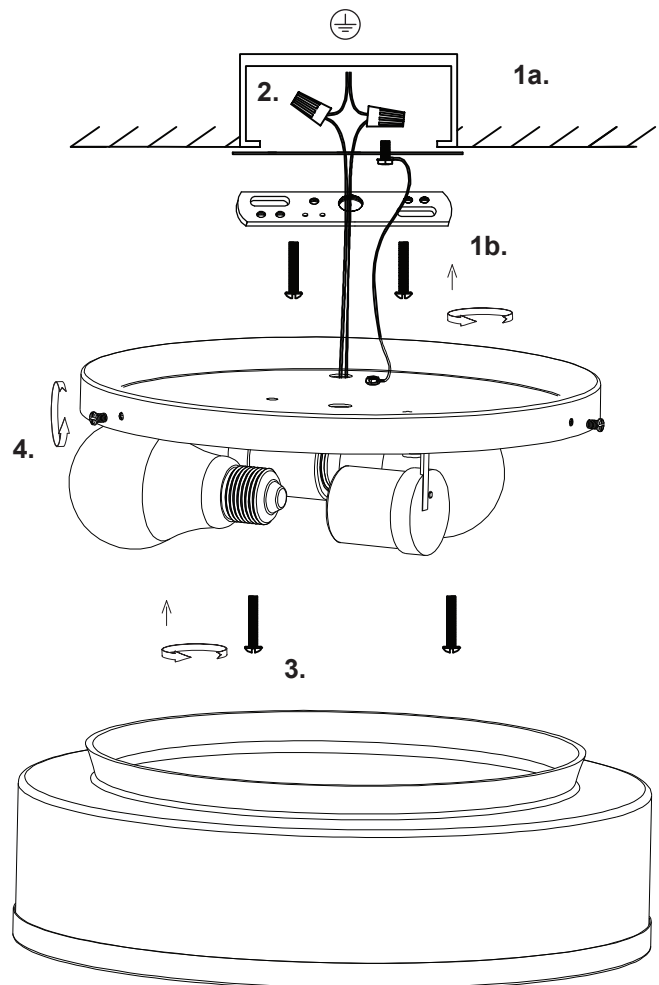

1. Remove the fixture from its original packaging. Remove the canopy mounting bar **(1b)** from within the canopy and attach to the junction box using the two screws **(1a)** provided in the hardware package.

2. You can now connect all the wiring with the provided marrets (white to white "N", black to black "L" & ground to ground "G"). Align the two holes from the canopy to the two screws pointing down from the mounting bar already attached to the junction box.

3. Fit canopy onto mounting bracket with washers and screws. Screw to tighten.

4. Fit correct wattage of bulb into lampholders. **(4a)** Screw shade into ceiling plate.

5. You have now successfully installed your fixture, please enjoy.

START FROM HERE

- Make sure power is completely off at the fuse box.
- Have your fixture installed by a qualified licensed electrician
- Prepare everything in clear area.
- Wear gloves at all times during this installation.
- Read instructions carefully before you start assembly.
- Keep this instruction sheet for future reference.
