## LEUCOS

## Felix P/PL 47 Ceiling/Wall Lamp

Leucos Design Lab, 1996

The Felix Ceiling/Wall Lamp was created by Leucos Design Lab by mixing a sphere with an ellipse. The result is a beautiful hand-blown glass shape with soft curves and luminous volume. This hand-blown diffuser is made of multiple layers of glass to create a rich look by using a traditional Murano hand-blown glass technique called incamiciato (Italian for "jacketed" or "layered"), which requires multiple layers of glass during the blowing process to create a beautiful stain white with perfect diffusion. The Felix Ceiling/Wall Lamp is available in 4 sizes (Mini, 35, 47 and 55 cm) and the Felix family includes a pendant and ceiling/wall lamp.
