

## JJ Big TR Floor Lamp, Outdoor

Leucos Design Lab, 2020

The JJ Collection creates an unprecedented freedom of movement with perfect balance thanks to its 4-spring mechanism. Its 2-arm pantograph geometry maintains the same diffuser incline throughout any movement and allows for optimal angles/positioning of the light. JJ Big Floor Lamp (2020) is a clever play on the scale of the JJ desk lamp, has a revolutionary user replaceable integrated LED (up to 5600 lumens with Casambi Wireless Dimming via a smart phone app) and is available as an indoor or outdoor version in 6 standard colors. Custom colors upon request with no minimum order quantity.

### Diffuser/Structure Finish Options:

White  
 Black
