

JJ Great S Pendant

Leucos Design Lab, 2005 (Updated 2020)

In a clever play on scale, a maxi version of the JJ desk lamp was created in 2005 using just its iconic diffuser with laser cut cooling vents. In 2020 Leucos updated the JJ Great Pendant and upgraded it to an energy efficient user replaceable integrated LED (up to 5600 lumens) that while powerful enough for contract use is aesthetically pleasing enough to be a decorative luminaire. The JJ Great Pendant is available in 6 standard colors.
