

## JJ Mid TR Reading/Floor Lamp

Leucos Design Lab, 2013 (Updated 2021)

The JJ Collection creates an unprecedented freedom of movement with perfect balance thanks to its 4-spring mechanism. Its 2-arm pantograph geometry maintains the same diffuser incline throughout any movement and allows for optimal angles/positioning of the light. The 2021 Leucos update to the JJ Collection uses a clever play on scale to create the JJ Mid Floor/Reading Lamp and includes a user replaceable integrated LED with dimmer on the diffuser, a heavily plated base to give weight and stability and 6 standard colors with an inner white diffuser for maximum light output.
