

Lilith P Wall Lamp

Leucos Design Lab, 2005

The Lilith Wall Lamp is an elegant lighting solution with a stunning moiré light effect created by threading thin string in a consistent pattern across the shade in two layers. As you engage it from different viewpoints, the light pattern shimmers and changes. A satin white diffuser covers the bottom of the drum to minimize glare resulting in a dynamic diffused light for your space that is at once traditional but also contemporary. The Lilith Wall Lamp comes in 3 color options (mocha, silver or white) and the Lilith Collection includes a pendant, ceiling, and wall lamp.

Diffuser/Structure Finish Options:

Mocha/White
 Silver/White
 White/White

Dimensions:

Width: 14.17 in
 Depth: 5.12 in
 Height: 7.48 in
 Weight: 2.43 lbs
