A-Tube Nano,
Design by Studio Italia Design

Model A-Tube Nano large

A-Tube Nano is a suspension lamps which interprets light in its simplest form by creating a thin luminous line in the living spaces. At the lower end of the lightweight aluminium structure, a transparent methacrylate diffuser houses an LED module whose light creates a soft, welcoming atmosphere. The three sizes and seven statement finishes allow to create clusters of evocative lighting. *Black* cable version now available.

A-Tube Nano large	Light source	Structure: Metal	Diffuser: Methacrylate	Cable	Code
