

Hover,  
Design by YOY

Model Hover table

The *Hover* table and floor lamps feature a lamp shade that looks as if it is detached from the base, connected seamlessly by a single cable that runs through the stem and comes out of the other end. The end result creates an illusion that the light source is almost weightless and floating in the air, like a balloon.

Hover table	Light source	Structure: Metal	Diffuser: Paper	Code
