

Tidal,
Design by Needs Studio

Model Tidal

Tidal is a ring-shaped ceiling lamp that evokes the motion of the tide and celestial bodies. Its fluid and oval design mimics wave movements and tidal changes, with one side wider than the other, appearing differently to the viewer depending on their position under the lamp.

Tidal

Light source

LED
3000 K
34 W / 6860 lm
700 mA
120 / 277 V
