

Design Øivind Slaatto

Light source	Voltage	Weight	Electric shock protection	Ingress protection
LED	<div></div> 120-277V	8.4 Lbs	Cl. I	IP20

Recommended cleaning substances:
Wipe off dust with a dry, soft cloth. Remove greasy spots etc. with a soft cloth dampened in lukewarm water (<122° F/ 50° C) with a mild detergent.
Use a thin brush through the openings or use compressed air to remove dust from the lamellae.

Warning: Scouring powder and similar substances will scratch surfaces.

All installation is subject to local code and jurisdiction. Consult a qualified electrician to ensure correct branch circuit conductor.
The installer must ensure that the ceiling can support the luminaire's weight. The installer must if necessary reinforce the ceiling structure by adequate means.

Due to possibility of personal injury or property damage, always contact a qualified electrician for servicing or repair of this fixture. To avoid risk of electrical shock, personal injury, or death, disconnect power to fixture before servicing.
