

PH 2/2 LUNA TABLE LAMP

A-19/medium / Brass/glossy opal glass / Brown textile / - / - / 5744909954

The table lamp with three glass shades emits soft diffused light creating ambient room illumination while also casting downward-directed light onto the surface. The head is adjustable and can rotate to the sides.

Poul Henningsen

Poul Henningsen was born in Copenhagen by the famous Danish writer Agnes Henningsen. He never graduated as an architect, but studied at The Technical School at Frederiksberg, Denmark from 1911-14, and then at Technical College in Copenhagen from 1914-17.

Product info

Information
