

PH 4½-3½ GLASS TABLE

Designed by Poul Henningsen

Description

The fixture is designed based on the principle of a reflective three-shade system, which directs the majority of the light downwards. The shades are made of hand blown opal three-layer glass, which is glossy on top and sandblasted matte on the underside, giving a soft and diffused light distribution.

Variants

VARIANT NUMBER	COLOR, RAL	W / H / L (IN) / W (LB)
