## PRODUCT DESCRIPTION

The Berlin integrated LED pendant light features a modern circular or "ring" shaped design with a center void shining light directly downward. Constructed of a robust aluminum frame with a premium acrylic diffuser, the suspended circular profile emits a bright luminance downward and Its dimmable CCT LED light gives you the possibility to choose the color temperature from 3000k (warm white) and 4000k (Neutral white). This pendant light fixture is dimmable, hang height adjustable and available in 3 sizes 24"/31.5"/40", finished in matte white. The canopy is finished to match the fixture. This pendant light fixture is a perfect complement to residential or commercial modern decor.
