

Spinning Bianca Direcionals in  
Polished Chrome with wood blades shown

# Bianca Direcional

*Designed in 2000*

Unique and versatile, the fan head of the Bianca Direcional ceiling fan can be infinitely positioned in a 180-degree arc, forward and reverse, to provide maximum, directional airflow. The Bianca can be hung in small, awkward spaces or in front of HVAC ducts to make more efficient the heating, ventilation or air conditioning of any room. Constructed of cast aluminum, heavy spun and stamped steel, the Bianca Direcional carries a limited lifetime warranty.
