# Irene-5HLK

*Designed in 2016*

The Irene-5HLK ceiling-mount fan is rustic, yet strikingly modern with five neatly joined, solid wood matte black, matte white, walnut, or barn wood tone blades. A cylindrical motor housing complements its minimal profile. Irene-5HLK is streamline while still appearing warm and natural. Constructed of cast aluminum and heavy stamped steel, the Irene-5HLK has a limited lifetime warranty.
