DESCRIPTION

Clean lines frame a shimmering pour of crystal. Illuminated from above, the brilliant column captures rhythms and textures of transparency, luminosity and shadows creating a stunning focal point on a luxury home's exterior.

FEATURES

- Specifically formulated using powder coat to resist UV and costal environmental conditions, providing a long-lasting finish with premium 316 Marine mirror grade stainless steel plate and hardware
- Built in color temperature adjustability. Switch from 3000K/3500K/4000K. Switch may be installed in junction box.
- Driver concealed within the canopy
