DESCRIPTION

A breathtaking composition that is both sentimental and soothing. Soleil is a sleek, modern wall luminaire dripping with Schonbek optic crystal strands of varying lengths suggestive of melodic scales. State of the art LEDs deliver robust illumination with energy efficiency and exceptional quality on surfaces below. Three finishes include Aged Brass, Polished Nickel and Black. Built-in adjustable LEDs illuminate with your choice of 3000K, 3500K or 4000K color temperature light.

FEATURES

- Color temperature adjustability switch from 3000K/3500K/4000K at time of installation mounted at the back of the mounting plate to be installed within the junction box.
- A proprietary universal 120V-220V-277V driver concealed within the canopy
- Up and down illumination
