

PRODUCT FEATURES

- Efficient, classic adjustable spot head design
- Adjustable spot head design and variable stem length options available
- Fully dimmable integrated LED lamp
- Available in two on-trend finishes, Aged Brass and Satin Nickel
- Idea for residential and commercial lighting applications
- 5 year warranty with no lamping option. 5 year warranty with LED lamping option, visit techlighting.com for more warranty details

LAMPING

Includes 12 volt 9.4 watt, 518.5 delivered lumens, 2700K or 3000K, LED module. Dimmable with most LED compatible or ELV and Triac dimmers. Ace head can pivot 90° (horizontal to straight down). Integrated lens holder accommodates up to (2) lenses and louvers (sold separately). As a general rule when using the Ace head, we do not recommend using greater than 33% of the maximum wattage specified for the low voltage transformer due to inrush current requirements. For assistance in calculations, please contact Technical Support.

Aged Brass

Aged Brass

Antique Bronze

Satin Nickel
