

PENDANTS

GENERAL PRODUCT INFORMATION:

This product is suitable for damp locations.

Install the Lamp

CAUTION: To reduce the risk of a burn or electric shock during relamping, disconnect the power to the fixture.

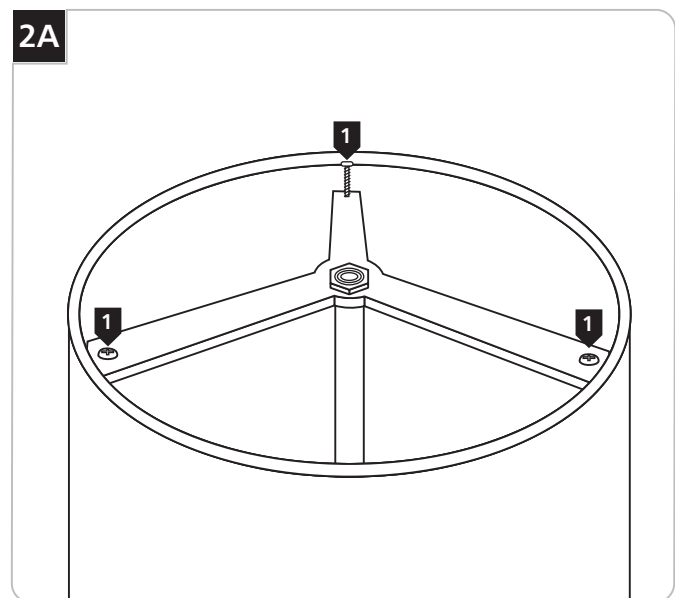

Refer to fixture marking for lamp information.

- 1 Screw the lamp into the socket.

Note: If it is difficult to reach the socket for lamp installation or replacement, follow the optional lamp installation to disassemble the fixture.

Optional Lamp Installation

- 1 Carefully remove the shade by unscrewing the three mounting screws on top of the fixture.

2B

CAUTION: To reduce the risk of a burn or electric shock during relamping, disconnect the power to the fixture.

Refer to fixture marking for lamp information.

- 2 Screw the lamp base completely into the socket.
- 3 Reinstall the shade by reversing figure 2A.

IMPORTANT SAFETY INSTRUCTIONS

To reduce the risk of fire, electrical shock, exposure to excessive UV radiation, or injury to person:

- Use this fixture indoors only.
- Do not look directly at the lighted lamp.
- Do not remain in light if skin feels warm.
- Risk of fire: Use only the type of lamp and maximum wattage indicated in this instruction manual.
- Never cover the lamp with anything. Never place flammable material close to your fixture.
- Never turn the fixture on and off by connecting and disconnecting the lamp.
- Do not touch the lamp while the fixture is on. This surface may be **HOT**.
