

LEIF

PTL8132-PBR/SBL

Influenced by Bauhaus and later mid-century aesthetics, Leif captures both form and function. The circular shade projects ample light on the wall behind it and gives this plug-in wall sconce a graphic element that makes it feel like artwork. The muted tones of the patina brass and soft blue or soft sand give the piece an earthy vibe. The bottom arm of the two-light sconce rotates for added versatility.
