

**VISUAL COMFORT & Co.**

MODERN COLLECTION

**GENERAL PRODUCT INFORMATION:**

These fixtures are intended to be installed utilizing NEC compliant junction boxes.

This product is suitable for damp locations.

This product may be dimmed with a low-voltage electronic dimmer.

This instruction shows a typical installation.

**CAUTION - RISK OF FIRE**

This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.

Use minimum 90°C supply conductors.

**Install the Fixture**

- 1** With the provided Allen wrench, remove the Allen screws on both sides of the fixture base.
- 2** Remove the mounting plate from the back of the fixture.
- 3** Connect the fixture to a suitable ground in accordance with local electrical codes.
- 4** Connect the white driver wire to the neutral power line.
- 5** Connect the black driver wire to the hot power line.
- 6** Properly place the driver, all wires, and wire nut connections into the electrical box, and attach the mounting plate to the electrical box using the two provided #8-32 screws.
- 7** Mount the fixture back onto the mounting plate and reinstall Allen screws (reversal of step 1A).
- 8** If necessary, install the diffusers into the diffuser bases which are secured together by magnets.
