Luxury Home Textiles

VAYA Home designs, curates and produces textiles for drapery and upholstery in a variety of fibers and tactile techniques.

Leveraging decades of textile design and production expertise, the Jaipuria Mill in collaboration with international creatives, conceived the VAYA Home brand to weave thoughtfully constructed fabrics for interior decorators globally.

Combining hand crafted arts with machine exacted techniques unique to the mill, the VAYA collections aim to delight and surprise through the use of pattern, materials, and colors in their textiles.

Our products are sold through leading retailers as cut length yardage and are suitable for residential and commercial application.
