Tribeca Silk Drapery

www.vayahome.com
sales@vayahome.com

Tribeca is a beautifully woven dupion silk - a classic fabric from Karnataka. The dupion weft is locally sourced and is characterized by irregular slubs that be seen on the surface of this fabric. The warp is a fine mulberry raw silk that is dyed and degummed before weaving to give Tribeca its distinct sheen and two color effect. This fabric is woven from natural silk yarns and should be handled with care.

Luxury Home Textiles

VAYA Home designs, curates and produces textiles for drapery and upholstery in a variety of fibers and tactile techniques.

Leveraging decades of textile design and production expertise, the Jaipuria Mill in collaboration with international creatives, conceived the VAYA Home brand to weave thoughtfully constructed fabrics for interior decorators globally.

Combining hand crafted arts with machine exacted techniques unique to the mill, the VAYA collections aim to delight and surprise through the use of pattern, materials, and colors in their textiles.

Our products are sold through leading retailers as cut length yardage and are suitable for residential and commercial application.
