Winemaking:

Hand harvested and whole bunch pressed, the free run Chardonnay juice was steel tank fermented and underwent malolactic fermentation in late spring, stirred on lees throughout. The Pinot Noir was lightly pressed and fermented cool in seasoned French barriques, allowed to mature on light lees until blending in early January of the next year to prepare for tirage nearly one year from the harvest date.

The bottle fermentation took place over three months with bottles left to rest for a further 30 months until being disgorged and liqueur de dosage added

Perfect for celebration, as an aperitif or match with freshly shucked oysters.
