

KREA TOUCH

CE 

 **NECTA**

DISTINCTIVE, MODERN, ELEGANT

Krea Touch is the new elegant model which enriches the Necta Horeca Family.

Appealing design, decorative light, chrome frames, shiny black surfaces, unrivalled performance make Krea Touch the ideal solution for your coffee break.

The wide touchscreen and the user friendly interface allow a high number of selections, flexible and customized recipes management, customers branding and promotional videos management. Krea Touch is fitted with a variation of the Necta Z4000 coffee brewer which has been modified specifically for the HoReCa market. This allows the machine to vend (up to) 12oz drinks.

HIGHLIGHTS:

- 7" HD Touchscreen
- New electronic platform
- LAN, Wifi & Bluetooth and 3G as option to be connected to the cloud platform
- Z4000 coffee brewer
- Compact 500 cc boiler
- New wider cup room, easy to clean
- Stainless steel delivery area with tiltable metal cup support

Krea Touch

Krea Touch is the elegant model which enriches the Necta machine range. It is the ideal solution for hotels, reception areas and smaller locations where quality coffee and reliability are paramount. The modern chic design, decorative LED lighting, chrome effect surround, glossy black finish and unrivalled performance make Krea Touch the ideal solution for your coffee break. A wide choice of drinks are available, easily selected through the intuitive 7" touchscreen which guides the user through the menu. The touchscreen interface is customisable via USB and can be used to play promotional videos.

We also have a range of cabinets shown with the accessories below which will enhance the functionality and appearance of the machine.
