Giving Shape to Ideas

# WORKING ENVIRONMENTS IN STEP WITH TODAY'S WORLD

## ✦ Making offices more efficient

From small businesses to big enterprises, companies today strive to find the individual document solution best suited to their specific and diverse business needs. The comprehensive services, systems and solutions that Konica Minolta provides cover the requirements of the entire document life cycle in the office. Our exclusively designed range of highly efficient and perfectly compatible multifunctionals extends from entry-level office devices, including laser printers and small all-in-ones, to cutting-edge, high-performance production printing systems. Naturally, you always have the choice of colour as well as monochrome alternatives.

In combination with intelligent software applications, the innovative multifunctional systems from Konica Minolta bring together both digital and paper-based worlds. They therefore accommodate all the demands of the modern business with smooth workflows that help companies save time and money. Our competent solutions effectively enhance and accelerate our customers' business development.

## ✦ The complete document life cycle

Printing is only one part of the document life cycle. We know there's more to it – for instance document creation, archiving and retrieval. Information is an essential "resource", but you can only exploit its full potential by viewing the document life cycle as a whole. black and white.

## ✦ Intelligent document creation

Our multifunctional systems are not only good at printing and copying. They are also brilliant at handling all kinds of media: formats ranging from A6 to SRA3, paper weights from 52 to 300 gsm, user-defined formats and banners up to a striking 1.2 metres in length. And yet there is so much more you can do with Konica Minolta bizhub systems: scan in paper documents, perform text recognition and output forms and bar codes – functions like these provide the perfect basis for automatic forwarding, editing and archiving.

## ✦ Highly efficient scanning and faxing

Quick and easy scanning has become an indispensable part of everyday office life. Once digitised, you can transfer documents directly to an electronic mailbox, an archive, a USB stick or an FTP server. And to save paper, why not send and receive your faxes directly via your PC?

## ✦ Simply perfect print quality

Enjoy high-quality printouts thanks to Konica Minolta's very own Simitri® HD (high definition) polymerised toner! You will appreciate the significantly lower electricity bill, which is down to the reduced fusing temperature and lower power consumption.

## ✦ All's well that ends well – with professional finishing

From stapling and folding right through to brochures that are ready to go, the Konica Minolta range of products and integrated solutions gives you an extensive choice of professional finishing functions. All you need to do is pick the right one for you!

## Functionality

– Black & white

### Copying

– Black & white  
– PCL/PS  
– Local/Network  
– USB

### Printing

– Colour  
– Black & white  
– Scan-to-eMail  
– Scan-to-Me  
– Scan-to-SMB  
– Scan-to-Home  
– Scan-to-FTP  
– Scan-to-Box  
– Scan-to-USB  
– Scan-to-WebDAV  
– TWAIN Network

### Scanning

– Super G3 Fax  
– PC-Fax  
– i-Fax  
– IP-Fax

### Faxing

– Reprint  
– Distribution  
– Sharing  
– Box-to-Box  
– Box-to-USB

### Box

## Finishing functionalities

Corner stapling

Two-point stapling

Two-hole punching

Four-hole punching

Duplex

Combined mixplex/mixmedia

Sheet insertion, report

Letter-fold

Booklet

Offset sorting

Z-fold

Banner printing

Half-fold

## Technical specifications

### SYSTEM SPECIFICATIONS

<b>System memory</b>	2,048 MB (standard)
<b>System hard disk</b>	250 GB (standard)
<b>Interface</b>	10/100/1,000-Base-T Ethernet; USB 2.0
<b>Paper size</b>	A6-SRA3; customised paper sizes; banner paper max. 1,200 x 297 mm
<b>Paper weight</b>	52–300 gsm
<b>Paper input capacity</b>	Standard: 1,150 sheets; max.: 6,650 sheets
<b>Automatic duplexing</b>	A5-SRA3; 52–256 gsm
<b>Finishing modes (optional)</b>	Offset; group; sort; staple; punch; post insertion; booklet; letter-fold; z-fold; half-fold

### COPIER SPECIFICATIONS

<b>Copy/print speed A4</b>	Up to 55 ppm
<b>Copy/print speed A3</b>	Up to 27 ppm
<b>1st copy out time A4</b>	4.1 sec.
<b>Warm-up time</b>	Approx. 22 sec.
<b>Copy resolution</b>	600 x 600 dpi
