whats going on!

We welcomed our new programme Coordinator, **Natalia** to the NF family!

Natalia has a background working with non-for-profits in NZ and within Africa, so she comes with a wealth of knowledge to help our organisation to go from strength to strength.

Our **Giggle & Grow** sessions have had **5** new friends join the amazing group of parents and children this month. More happy faces from our bubs and more relaxed faces from our mums!

The wonderful folks at **CITY CLEANING SERVICES LTD** came in and supplied our families with **cleaning essential caddys** so their homes can be as clean and hygienic as possible.

amazing people!

During the month of July we had the awesome team from **Anderson Lloyd** come through and offer up their time to help us in the warehouse, they got their hands dirty and cleaned heaps of prams and carseats for us!

We also had the pleasure of hosting colleagues from **WestPac** throughout July, these amazing humans sorted through donations, packed essential boxes and even built new shelving for us!

If you would like to know more about **volunteering with us**, whether it be a corporate day or just a few hours that you have to spare personally, Please reach out: **Mel@nurturingfamilies.nz**
