2024 Themes

About Giraffe Christmas

Giraffe was born in March 2014 by a passionate ex-hotelier, who wanted to combine the 'event supplier' offering with a 'hotel customer service' attitude. Over 10 years later and Giraffe is now one of the best known and respected décor brands in Manchester.

We have supplied festive décor to clients since 2017 and in 2023 we created Giraffe Christmas, expanding our business with a full-time dedicated festive team to providing Christmas décor nationwide.

We are known for our creativity and our 'can do' attitude. Great customer service is at the very core of our business and our aim is to work seamlessly as an extension of your venue team.

You can find out more about our services at www.giraffechristmas.co.uk or follow us on social media to see our latest creations.

Themes

2024

Traditional Christmas

This is 'the one out the movies' – a classic red and gold colour theme. Nothing says Christmas, like Christmas.

Adding a 'scene' is a great way to elevate your display

Candy Cane Lane

Grab a peppermint stick for old Saint Nick. Our red and white candy cane theme is a fun take on the traditional theme.

Add a prop such as a throne to elevate your décor, or upgrade to a mini scene around your tree (right).

Gingerbread

Another delicious theme to indulge in – this frosted sweet treat suits large spaces to fill with gingerbread props.

Enchanted Forest

Enchanted Forest is a wonderland of warm white twinkling lights, natural inspired decorations and majestic animals to add a touch of magic to your theme.

Simple Luxury

Realistic trees wrapped with cluster lights and subtly decorated with either gold, glass or metal decorations – this understated theme is pure luxury.

All That Glitters

All That Glitters is pure luxury. If gold doesn't make you twinkle, what about another colour in our monochrome range such as red, copper, blush or silver?

Blush & Bashful

Pastel pinks, warm rose gold and classic gold – a great alternative to our monochrome 'All that glitters' theme.

Mixed Metallics

The ultimate in contemporary design, this theme mixes tones of gold, copper, silver and nickel.

White Christmas

Dreaming of a White Christmas this year? Us too. That's why we've created the most elegant theme of luxury white decorations and snowy foliage.

Very Berry Christmas

What could be more festive than an all red theme – and make it more striking by dressing with a dense wrap of baubles!

We can create the
'wrap of baubles'
in your choice of
colour

Jewel Tones

Embrace the season with a stunning array of jewel tone decorations for a truly majestic festive display.

Merry & Bright

This eye-catching concept is great to add fun and festive cheer. Bright colours with the option of retro coloured lights never fails to raise a smile.

Midnight Sky

This theme contrasts bright warm metallics against bold blue tones like the midnight sky.

Corporate Christmas

Keep it strictly business with our corporate trees in your colours, we can even add your logo to custom decorations.

Bespoke

We can make your wildest dreams come true, just talk to us with your ideas and we can come up with a bespoke concept.

Make an Entrance

Make an entrance this year by adding garlands, door archway or canopy dressing – with lights to catch attention and begin your theming outside.

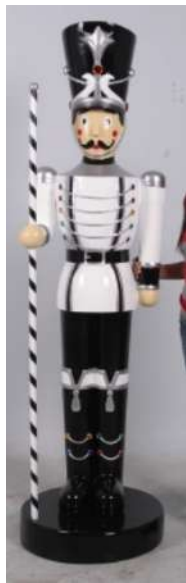

Props

We offer a wide array of props for hire, including giant nutcracker soldiers and Kings, life-size animals, reindeers, sleighs, arches and more!

Nutcrackers

Nutcrackers, toy soldiers, kings and gingerbread men – these are a great selfie prop to help continue theming throughout your space, add to your tree scene, or flank either side of your entrance.

Scenes

Elevate your festive display with one of our bespoke scenes including our branded 'Selfie Scenes' designed to enhance your social media presence by encouraging customers to share images.

These can be around your tree – on console or reception tables – or on top of entrance doors.

Accessories

Basic wrapped boxes are provided with our Christmas trees – however we can elevate these with luxury wrapping, extra detail touches such as bells and bows, and little props mixed amongst them.

Other
Decor

Other Seasonal Décor

Our studio team work all year round on creative installations – from fresh floral arrangements, to balloon art and seasonal selfie scenes.

Just ask for our Seasonal brochure as a starting point for Valentines, Mothers Day, Easter, Pride, Halloween and New Years.

Internal Plants

Ask about our Giraffe Plants team to add atmosphere and greenery all-year-round with plant displays, which we can maintain to ensure your plants always look their best.

Internal Flowers

As one of the leading corporate and creative florists in Manchester we can add floral magic to your space – from reception displays, single stems on tables, colourful displays, or unique installations.
