

CANTILEVER

When your outdoor dining area would function better with an offset umbrella, our Cantilever model will provide the coverage you need without the interference of a center pole. These double vented, aluminum frame contract grade umbrellas are available in a wide array of fabrics to compliment any decor. Our 360 degree rotating Cantilever umbrella features a smooth-glide trigger lift mechanism and a foot activated rotator to provide 100 square feet of comfortable shade.

- 360° rotating pole and canopy
- 8 rectangular aluminum ribs
- Bronze finished aluminum frame and fittings
- Trigger lift with crank
- Steel cross base for (4) 80 lb. granite tiles
- Double, sewn-in vent and storage ties are standard
- Canopies are made of furniture grade, solution dyed acrylic. See fabric selections on pages 47-51. Tops are also available in COM.
- Custom top options include valance, alternating panels, banding and logos. See page 33 and 35.
