

BALI

EURO COLLECTION

The elegant shape of the canopy and gently curved pole emulate the tranquil and expansive natural beauty of an open leaf. The canopy can easily be raised along the entire length of the pole. The pole itself rotates 360° so that ample shade can be provided in any direction throughout the day.

- 360° rotating heavy duty curved aluminum pole
- Canopy can be raised and locked in position anywhere along the length of the pole
- 9 fiberglass ribs
- Anodized and powder coated aluminum structure
- Canopies are made of furniture grade solution dyed acrylic. See fabric selections on pages 47-51. Tops are also available in COM.
- Curved Pole Height - 7' 5"
- Overall Width from Back of Pole to fully extended Canopy - 13' 10"
- Leaf-shaped Canopy Height - 9' 10"
- Leaf-shaped Canopy Width - 9' 10"
- Dual handled, manual lift
- Draw string, tension-based opening
- Telescopic Pole
- Umbrella and Base sold as a set

BASE PLATE
