

LUCAYA

PRESTIGE COLLECTION

This umbrella features a 1 1/2" diameter, one piece pole that allows for both in-table and freestanding use. To accompany a wide range of dining, lounge and chaise seating, the .125 thickness aluminum pole comes in seven finishes.

- Flexible fiberglass ribs with molded nylon joints, hubs and end tips.
- Pole finishes are powder coated. Other finish colors are available for large orders. Consult factory.
- All rib, finial and hub colors coordinate with the finish color selected for the pole except for Sahara which has Champagne Bronze ribs, finials and hubs.
- Single, sewn-in vent and storage ties are standard.
- Custom top options include the Aruba extra large vent, double vent, valance, alternating panels, trim, banding and logos. See pages 33-35.
- Standard tops are made of marine or furniture grade, solution dyed acrylic. See fabric selections on pages 45-51. Tops are also available in COM.
- Pulley & Pin lift is available in place of Push Up & Pin. When ordering change the end of the model number from PU to PP.
