

RIVA

PRESTIGE COLLECTION

This heavy duty umbrella has a 2" diameter, one piece .125 wall thickness aluminum pole with 3/4" diameter ribs. Designed for use in hospitality settings such as restaurants, hotels, resorts and country clubs, it will provide years of durable service to compliment the decor our any outdoor space.

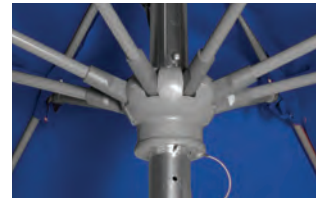

- Fiberglass ribs with molded nylon joints, hubs and end tips
- Pole finishes are powder coated. Other finish colors are available for large orders. Consult factory.
- All rib, finial and hub colors coordinate with the finish color selected for the pole
- Single sewn-in vent and storage ties are standard on most sizes. 10' Sq come with Double sewn-in vents and storage ties.
- Custom top options include the Aruba extra large vent, double vent, valance, alternating panels, trim, banding and logos. See pages 33-35.
- Standard tops are made of marine or furniture grade, solution dyed acrylic. See fabric selections on pages 45-51. Tops are also available in COM.
- Pulley & Pin lift is available in place of Push Up & Pin. When ordering change the end of the model number from PU to PP.

POLE DIAMETER

Recommended for freestanding use
