

Lens Cover SLC-1 / SLC-2

■ Introduction

Thank you for purchasing our product.

This cover is used to protect the lens of the underwater housing case. Be sure to understand the contents well and use the product properly. Read this manual carefully before use to make full use of the functions of this product.

■ Precautions for use

- Be sure to read this manual and use the product properly.
- Mount the lens cover securely. If it is used in an incomplete state, it may be lost.

■ Instructions for use

- When carrying the underwater housing case, cover the lens part of the underwater housing case with the lens cover to protect the lens part. (Figure 1)
- Before shooting, remove the lens cover from the underwater housing case.
- If the lens cover is not used, it can be passed through the wrist or back of the hand. (Figure 2)
