

Lace Options

A Note on Ordering Lace:

Each option includes a **picture**, the **width** of the lace, and the **price per yard**.

For Albs: You'll need approximately 2.5 yards of lace for the skirt and an additional 1 to 1.25 yards of lace for the sleeves.

For Surplices: You'll need approximately 2.5 yards of lace for the skirt and approximately 1.5 yards for the sleeves.

You have the option to include lace on the sleeves, the hem, around the neckline, or a combination of the above.

If you have any questions, please don't hesitate to contact me at SisterTecla@JMJVestures.com.
