

Virtual Support with the Daack Pack

Following your initial behavioral consultation, some clients may be recommended for this path.

Let us guide you! This program is great for those cases needing intensive support for Cooperative Care, Relationship Building, Separation Anxiety, out of area clients, dogs who have issues with strangers but there are more pressing training needs and other cases that benefit from working with the dog in a more natural life setting

★ Remote Day Training:

- Standard Remote Day Training Program:
 - 4 times a week your dog trainer will work you virtually 1-on-1 with your dog(s)
 - Every other week there will be a longer session to on board larger concepts
 - 4 sessions a week for 1 month
 - 14 (30 min) Sessions, 2 (1 hr) Sessions
- Included:
 - Webinars selected by your Trainer
 - Weekly Notes
 - Creation of Custom Plan
 - Email Support

★ Before starting Day Training:

- Free 15 Minute Screening
- Onboarding Process
- 2-Part Consultation
- Day Training Deposit (\$150)
- Approval of Behavior Consultant and Trainer

Dog and Trainer Sessions:

- Virtually meet with your dog trainer and work 1-on-1 with your dog(s)
- Work on Custom Training Plan created in collaboration with the client.
- Clients must be present for all sessions.
- Weekly notes outlining what was taught with steps to help transition tools to you.

Technology:

- Recommended: Keep all devices plugged in for the duration of the session.
 - Laptop or Ipad
- Utilize Google Meets for sessions
- Mobile phones can be used in an emergency or for an extra camera, but should be mounted for hands free usage.

• Ask us about our Day Training and Hybrid Options!

- See Price and Service Sheet for pricing details.
