REVITALIZING SHAMPOO

This specially formulated shampoo contains essential bioactive nutrients that nourish, moisturize, and improve the hair and scalp, creating a healthy environment for hair vitality.

TESTED BY WORLD LEADING HAIR RESEARCHERS

- Dr. Gregory Smith, MD, MPH: Master of Public Health, Harvard University. Leading researcher into medicinal benefits of CBD.
- John Satino: Research principal for FDA - approved hair loss options: Rogaine, Propecia, and laser light therapy.

Participants in a National Institutes of Health (NIH)-Identified Phase I Human Clinical Trial used the natural ALPHA VARIN™ Complex for 180 days. In addition to significant increases in new nonvellus hair counts, study participants also experienced a significantly thicker core of the hair shaft and improved healthy appearance of the hair. Below are before and after photos of study participants at study inception and after 6 months.

Superior Results to Finasteride and 5% Minoxidil!

“ALPHA VARIN™ Complex has superior results to Finasteride and 5% Minoxidil once daily foam. And since it works through entirely different mechanisms from these drugs, it can be used in conjunction with them and would be expected to have synergistic effects.”
