## SUPERIOR RESULTS TO FINASTERIDE AND 5% MINOXIDIL

100% of participants saw an increase in hair growth after just 12 weeks.

I. Dr. Gregory Smith

*"From my recent clinical study to be published in the peer-reviewed International Journal of Trichology: "ALPHA VARIN™ Complex has superior results to Finasteride and 5% Minoxidil once daily foam."*

*Since ALPHA VARIN™ Complex works through novel mechanisms entirely different from Finasteride and Minoxidil, it can be used in conjunction with these current drugs and would be expected to have synergistic effects."*

**DESCRIPTION:** ALPHA VARIN Complex™ is a potent hemp extract that in combination with other proprietary ingredients, helps reduce inflammation, bring damaged hair back to health and promote hair growth. **Pure Refined Emu oil** helps thicken, condition, and moisturize. For maximum effectiveness, TricoMax is **Positively Charged +** to bind to fine hairs. Safe for everyday use. **No known toxins or hormones. Cruelty-free.**

## TESTED BY WORLD LEADING HAIR RESEARCHERS

**Dr. Gregory Smith, MD, MPH:** Master of Public Health, Harvard University. Leading researcher into medicinal benefits of cannabis.

**John Satino:** Research principal for FDA-approved hair-loss options: Rogaine, Propecia, and laser light therapy.

## CLINICALLY PROVEN TO PROMOTE HAIR GROWTH

**100% of participants saw an increase in hair growth after just 12 weeks.**

Participants in a National Institutes of Health (NIH)-Identified Phase 1 Human Clinical Trial used the natural ALPHA VARIN™ Complex for 180 days. In addition to the significant increases in new nonvellus hair counts, study participants also experienced a significantly thicker core of the hair shaft and improved healthy appearance of the hair

Designed for Textured hair
