

A7 Polyurethane Coated Cut Resistant Gloves

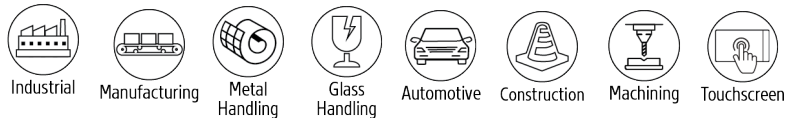

Features and Benefits

- Like you're wearing nothing at all. Ultra lightweight and dexterous 21 gauge innovative technology for barehand like feel cut protection.
- Seamless knit HPPE blended liner keeps hands cool for all day wear.
- Touchscreen compatible technology. Machine washable.
- A7 cut level protection. Recommended for heavy manufacturing, construction, metal and glass fabrication and machining.
- Abrasion resistant polyurethane palm coating provides superior wet and dry grip.
- Reinforced nitrile thumbcrotch for longer glove life.

Specifications

- Not made with natural rubber latex
- Warning: Cancer - www.P65Warnings.ca.gov
- Harmonization Code: 6116.10.5520
- Country of Origin: Pakistan
