

V7 Wireless Bluetooth Mono Headset

HB605M

SKU: 7FL291

Open workspaces can be full of distractions, so you need a headset that is ready for business. V7's Wireless Bluetooth® Mono Headset provides the increased focus to improve productivity in your business.

Includes a V7 Link USB adapter to enhance Bluetooth connectivity between the headset and your PC. This plug and play adapter automatically connects the headset with your PC and extends the wireless range up to 100ft/30m.

Plug in the detachable standard compact microphone, or if you're in a crowded office, the ENC noise-cancelling microphone ensures your callers don't hear the conversations of the people next to you.

Simultaneously connect to PCs and smartphones for amazing clarity with popular conferencing programs like Microsoft Teams, Zoom, Google Meet, or Skype.

Designed for comfort, the lightweight design is perfect for all-day wear, while the on-headset controls and impressive 30-meter (100') range helps increase your workplace efficiency.
