

Smart Hospitality Display HQ60A (EU)

Brilliant, long-lasting color with Quantum Dot

Highlights

- Quantum Dot technology for brilliant color at any brightness
- Sleek and slim design that blends seamlessly into any room
- Immersive 3D surround sound with virtual top channel audio
- Instant smartphone content mirroring with one tap
- Smooth app development with refined performance and security
- Manage all displays and the full guest experience seamlessly with powerful LYNK Cloud

Key features

A billion shades of color with Quantum Dot

Quantum Dot technology delivers our finest picture ever. With Color Volume 100%, Quantum Dot takes light and turns it into breathtaking color that stays true at any level of brightness.

*100% color volume measured in Movie Mode and the DCI-P3 color space, certified by VDE.

Sleek and slim, more than ever

Ultra-slim design provides further flexibility, enabling hotel operators to create optimized room layouts that increase guest comfort.

Key features

Virtual sound that tracks the action

With 3D surround sound leveraging our virtual top channel audio, any room, small or large, is fully immersed in the audio experience.

Simply tap to connect

Mirroring movies or music from guests' mobile devices to TV is as simple as a tap. When they tap their in-room TV with their mobile device, the TV senses the tap and mirrors automatically.

* Tap View is available on Samsung Galaxy devices with Android OS 8.1 and higher.

Simple, compatible web app development

Beyond its advanced graphics capabilities, Samsung's H.Browser empowers smooth application development. All apps can be stored within the TIZEN OS and are supported by Web Simulator and Remote Web Inspector tools that further refine app performance and security.

Experience a comprehensive hospitality solution

Samsung LYNK Cloud empowers hotel managers with a powerful set of tools to enhance guests' experiences. LYNK Cloud provides remote display management and can even analyze guests' content use to uncover marketing insights that help hotel managers deliver optimized promotions.

* Samsung LYNK Cloud solution must be purchased separately.
