Product Description

Take it wherever learning takes you. Featuring a slim design, Galaxy Chromebook Go makes for a perfect fit for on-the-go learners. Made for mobility, in a timeless silver hue, it's ready to go wherever learning takes you. Tough enough to take knocks, drops and spills. Having passed several of the MIL-STD-810G tests, Galaxy Chromebook Go pushes learning forward however tough the environment gets. Sturdy and shock-resistant with reliable features like the spill-resistant keyboard, it's built to last in classrooms and beyond. 180° hinge for all-round teamwork. Sharing e-books, digital handouts and creative learning apps is made easy, with the help of Galaxy Chromebook Go's 180-degree hinge allowing for screen viewing from multiple vantage points. View, connect and learn from anywhere. With Galaxy Chromebook Go, downloading, streaming, checking email and remote learning can be done while on the move. Study and play wherever your day takes you, with its always-on 4G LTE connection. Stay learning-ready anytime, anywhere. Power through study, play and everything in between. Even a full day of classes is no problem with Galaxy Chromebook Go's battery life lasting up to 12 hours on a single charge. You can conveniently charge up other Galaxy devices such as a mobile phone and tablet with the universal USB-C charger provided with the device. More ports, more possibilities. Galaxy Chromebook Go's powerful, versatile ports – including the USB Type-C, USB 3.2, SIM card tray, earjack and memory card slot – are set to bridge learning and technology in a changing world. With more ports, you can expand multimedia uses, extend and add screens, use additional data storage and much more.
