

## SYNC 60 SY60 WW DATA SHEET

### Product Information

EAN	017229172500
Brand	Poly
SKU	10342055
Manu Part #	216872-01

### Loudspeakers

Frequency range	75 - 20000 Hz
-----------------	---------------

### Features

Product colour	Black
Cable length	1.5 m
Windows operating systems supported	Yes

Mac operating systems supported	Yes
Control type	Touch
Full duplex	Yes
On/off switch	Yes
Noise reduction	Yes
LED indicators	Yes
Echo cancellation	Yes
Device type	Universal

## Power

Power source type	AC
-------------------	----

## Ports & interfaces

Bluetooth	Yes
Connectivity technology	Wired & Wireless
Bluetooth profiles	A2DP, AVRCP, HFP, HSP
USB connector type	USB Type-A
Interface	USB/Bluetooth
Bluetooth Low Energy (BLE)	Yes
Bluetooth version	5.1

## Weight & dimensions

Width	394 mm
Depth	122 mm
Weight	1 kg
Height	37 mm

## Packaging content

Cables included	USB Type-A to USB Type-C
Quantity	1

## Microphone

Microphone mute	Yes
Microphone frequency	100 - 6700 Hz
Number of microphones	6

## Logistics data

Harmonized System (HS) code	85182900
-----------------------------	----------

# Product Description

Smart Speakerphone for Conference Rooms Get Down to Business Big sound meets smart ideas Hear every voice clearly with the Poly Sync 60 USB/Bluetooth® smart speakerphone. It's designed for conference rooms and has incredibly powerful audio. Command the Conversation Loud and Clear with Powerful High-Performance Speakers Fill the conference room with remarkable sound thanks to the beautifully engineered twin-speakers. The six-microphone array ensures everyone in the room has a voice while helping to keep echo and noise out. Let's Get Started Connect Instantly to Start Any Meeting Users enjoy easy connectivity however they want to work—connect wirelessly via Bluetooth® or wired via combined USB-A/USB-C cable. And with a built in USB video camera input moving from an audio to video call is super easy. Simple for It No Complex Setup, No User Training, No Headaches for it Just deploy and you're done—no new interface to learn—teams use their own devices, and work in the collaboration applications they're comfortable with. For IT, inventory tracking and updates are made easy with remote device management. Gets Better with Updates Maximize your investment Easy to stay on top of any updates via Poly device management solutions (some solutions are sold separately). Expand Meeting Spaces Create Large Conference Spaces Wirelessly pair two units together for your larger meeting space needs. Need help with setup or planning? These are unprecedented times. Don't plan alone. For a limited time, we are offering a complimentary services consultation to help you ensure your remote workforce is set up for success. We work where you do All Poly USB headsets and personal speakerphones are compatible with the most popular voice platforms – we just work. Poly solutions provide excellent audio quality for both you and those on the other end of the call – no matter your platform of choice.
