Product Description

Superior Audio Quality Enjoy a truly outstanding sound experience—ideal for voice, music and multimedia. The Blackwire 3200 Series offers PC wideband, noise-canceling microphone and hi-fi stereo sound options. Dynamic EQ optimizes call quality and automatically adjusts the settings when you're listening to multimedia.

Easy to Set up Get everyone on board fast with simple deployment plus customizable settings. Plantronics Hub for desktop lets you select your language and features, and the latest firmware keeps your device up to date. Plantronics Manager Pro gives IT teams remote management, headset inventory and usage monitoring.

All-day Comfort + Portability Relax while you talk knowing your headset is secure—lightweight metal headband offers durability plus a custom fit. Leatherette ear cushions fold flat for easy portability. It even comes with a convenient carrying case (C3215/C3225) so you can take it with you wherever you go.

Advanced Connectivity Ideal for managing calls on PC, mobile phone or tablet. Combine the comfort and durability of a corded headset with greater flexibility—all at an entry-level price point. Plus, the C3215/C3225 models offer a 3.5mm connection option for wireless devices.
