

HSET Immerse GH40 ENC DATA SHEET

Product Information

EAN	4719072887940
Brand	MSI
SKU	10373220
Manu Part #	S37-0400150-SV1

Headphones

Ear coupling	Supraaural
Headphone frequency	20 - 20000 Hz
Impedance	32 Ω
Magnet type	Neodymium
Driver unit	40 mm

Headphone sensitivity	95 dB
Noise canceling	Y

Packaging data

Package type	Box
Package weight	580 g

Performance

Product colour	Black
Product type	Headset
Headset type	Binaural
Wearing style	Head-band
Control type	Buttons
Volume control	Button
Recommended usage	Gaming
Control unit type	In-line control unit
Cable colour	Black
Backlight	Y
Backlight colour	Various
Foldable	Y

Ports & interfaces

Connectivity technology	Wired
USB connectivity	Y
Bluetooth	N
Connector contacts plating	Gold

Microphone

Microphone type	Boom
Microphone mute	Y
Microphone frequency	100 - 10000 Hz
Microphone noise-canceling	Y
Microphone sensitivity	-42 dB
Microphone direction type	Unidirectional
Microphone input impedance	2200 Ω

Weight & dimensions

Width	204 mm
Depth	86 mm

Weight	268 g
Height	182 mm

System Requirements

Windows operating systems supported	Windows 10, Windows 7, Windows 8, Windows 8.1
-------------------------------------	---

Supplier features

Material	Metal
----------	-------

Other features

USB powered	Y
Audio output channels	7.1 channels

Packaging content

Quantity	1
----------	---

Logistics data

Harmonized System (HS) code	85183000

Product Description

MSI IMMERSE GH40 ENC is MSI's first gaming headset featuring an environmental noise canceling (ENC) algorithm. The ENC helps keep voice capture crisp and clear in any circumstance. Bring your gameplay anywhere with an immersive virtual 7.1 spatial audio experience with 40mm neodymium drivers in a foldable and durable lightweight package. CLEAR VOICE CAPTURE Keep clear and crisp voice capture with teammates thanks to the environmental noise cancelling algorithm filtering out background noise. ENC isolates speech while removing all kinds of ambient noise in any gaming environment or workspace. DEPTH OF SOUND Hear the vivid details in-game with high-quality audio from 40mm drivers reproducing high, mid, and low frequencies. Enjoy the immersive vibration in brighter sounds with rich treble and bass STAY IMMERSED Dive into the game with virtual 7.1 surround sound that enhances spatial awareness for precise and accurate positioning from any direction. Bring real-life audio experiences to movies and music. ADJUSTABLE MICROPHONE The GH40 ENC features a high-quality adjustable unidirectional microphone fitting to any shape of the head and capturing voice clearly. Fold it up when it is time to relax to the rhythm of a song or the excitement of a movie. LIGHTWEIGHT COMFORT ANYWHERE Weighing only 268g, the GH40 ENC is built in a lightweight and compact design, allowing gamers to take it anywhere with ease. Comfy Cushions The soft, fluffy padding relieves pressure from the head and ears and adds comfort for extended hours of gaming. Foldable Design The foldable headband makes GH40 ENC a perfect daily audio gadget for gaming everywhere. Secure Fit A comfortable fitting is formed with solid metal construction and well-measured force on a lightweight headset build. TOTAL CONTROL Through the in-line controller you have real-time control of the GH40 ENC to play/pause music, toggle 7.1 surround sound, microphone muting, and volume adjustment. NAHIMIC FOR HEADSET Supported by Nahimic for Headset*, the world-renowned audio software, which provides you with an enhanced gaming experience with its 3D Sound technology. MSI Center Smarter, Faster, More Personal MSI's exclusive MSI Center software helps you get the most out of your MSI peripheral products. Enable your experience in real-time with just a few clicks.
