Product Description

Poly Studio X30 Video Bar delivers radical simplicity in a small and elegant package. Now you can huddle happy in smaller rooms and connect easy in conference rooms with whatever video collaboration software you use, including native Zoom Rooms. Experience full board-room quality audio, advanced camera capabilities, and wireless content sharing that you can fling your content onto in seconds, all miniaturized into one sleek bar. So, say good bye to pucks, cords, and cables. Ditch the PC to drive the meeting, since the Poly Video OS runs the show. Easy to install, easy to manage - and best of all, easy to use. The new Poly Studio X line of video bars puts the mojo back into meetings.
