Product Description

Superior Sound that Won't Break the Bank The Blackwire 3200 Series provides a best-in-class audio experience in a headset that's built for enterprise needs. Even better, people want to wear it—so your investment pays off. With a sleek design and flexible microphone boom for a customizable fit, what's not to love? Plus, it sounds as good as it looks. Enjoy the high-quality audio you expect from Poly. Superior Audio Quality Enjoy a truly outstanding sound experience—ideal for voice, music and multimedia. The Blackwire 3200 Series offers PC wideband, noise-canceling microphone and hi-fi stereo sound options. Dynamic EQ optimizes call quality and automatically adjusts the settings when you're listening to multimedia. Advanced Connectivity Ideal for managing calls on PC, mobile phone or tablet. Combine the comfort and durability of a corded headset with greater flexibility—all at an entry-level price point. Plus, the C3215/C3225 models offer a 3.5mm connection option for wireless devices. All-day Comfort + Portability Relax while you talk knowing your headset is secure—lightweight metal headband offers durability plus a custom fit. Leatherette ear cushions fold flat for easy portability. It even comes with a convenient carrying case (C3215/C3225) so you can take it with you wherever you go. Easy to Set up Get everyone on board fast with simple deployment plus customizable settings. Plantronics Hub for desktop lets you select your language and features, and the latest firmware keeps your device up to date. Plantronics Manager Pro gives IT teams remote management, headset inventory and usage monitoring. Built for Compatibility All Poly USB headsets and personal speakerphones are compatible with the most popular voice platforms – we just work. Poly solutions provide excellent audio quality for both you and those on the other end of the call – no matter your platform of choice. Blackwire 3200 Features 1. Step smartly into unified communications Enter UC with a headset designed and priced to lead the way. Blackwire 3200 Series offers professional sound in a durable, portable and comfortable design, making them a no-compromise, budget-friendly solution for the enterprise.
