Product Description

The most immersive home racing experience Sit back and enjoy the most immersive in-home race experience with the Playseat® TV Stand Triple. No surprise here: You'll mount up to three screens on the stand so you're surrounded by the sights and sounds, ups and downs, of you upping your racing game. It's fully adjustable, so put the monitors as close or far as you like. Set up your front, left and right hand side views so you're in the zone feeling like hurdling down the track at warp speeds in an actual race car.
